

Heavy Duty Duress Push Button

XAL-B01

The Push Button can be used as a Duress push button or deployed in toilet to alert for assistance. Depressing the mushroom red push button will activate the alarm. To reset the activated alarm, the unit requires a key to be inserted and twisted back into place, ensuring each call is visited. A self contained surface mount IP65 rated enclosure is included. Each set comes with standard 2 nos. of key.
